NARRATIVE:

Mesa, a San Gabriel Valley Vagos gang member, has an extensive adult criminal history with his first adult conviction at age 28. His convictions include multiple convictions for manufacturing controlled substances for sale and burglaries, as well as, assault with a firearm on person, felon in possession of a firearm, driving under the influence causing bodily injury, hit and run: death or injury, battery, exhibiting deadly weapon, possession of controlled substance, false identification to peace officer and violations of parole. He has served multiple state prison terms the longest a five (5) year term for assault with a firearm. Mesa was released from state prison to the supervision of the Los Angeles County Probation Department on May 3rd, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2014 after he absconded from post release community supervision (PRCS). Mesa qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the charge of possession of controlled substance is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
